■ DISTURBING: Mr Samways indicating where the plants have been ripped up

## Volunteer angered by vandals who ripped up the council flower displays

AN AXMINSTER resident and volunteer gardener has slammed vandals who rip up plants on Minster Green.

David Samways volunteers for Axminster Town Council by planting the flower beds on Minster Green.

He visits Minster Green every Tuesday, but has been disturbed by what he has recently seen.

Apart from ripped-up plants, there have also been footprints in the flower beds.

During his visit in the morning of Tuesday July 29th, Mr Samways noted that a number of plants had been removed from a

By Anders Larsson

flower bed along Church Street.

Shortly afterwards, he discovered three plants dumped on a pavement around the corner in West Street.

A week later, Mr Samways discovered that 14 plants had disappeared from a flower bed near the bus shelter corner of Minster Green.

He said: "You are trying to get it all nice, and they walk over it and rip the plants up. 'They have no respect for the town.'"

He has reported the issues to police and

the town council, but said: "You can't do anything about it unless you are there 24 hours a day."

Mr Samways also had a swipe at the council, saying the flowers beds aren't watered often enough.

He justified his criticism by pointing at a number of dead plants.

Pointing at plants still alive, he told *Pulman's View*: "It is a lack of water, these aren't even half the size they should be. 'It's a waste of time.'"

Town clerk Hilary Kirkcaldie said the plants were watered as often as time allows by another volunteer.

## Woman jailed for being a nightmare neighbour

AN AXMINSTER woman, who distressed her neighbours with a string of anti-social behaviour offences, has been jailed for 15 weeks.

Joanna Dyson had appeared in court on several occasions since December last year, following regular reports of behaviour that caused "unwanted harassment, alarm and distress" to residents of Second Avenue.

A former teacher, Mrs Dyson, 54, who moved to the area less than a year ago, had already been banned from a number of local shops due to her behaviour, which began to cause problems at the end of last year.

Police say her imprisonment will "send a message" to others in the area who may disturb their neighbours with inappropriate behaviour.

Axminster Beat Manager PC Simon Rodgers said the neighbourhood police team had been working for months to bring the woman to justice.

By Jack Dixon  
jack@pemedial.co.uk

In a statement, he said: "This is a positive result for the residents living next to this individual and shows that anti-social behaviour will not be tolerated."

He added: "Devon and Cornwall Police are committed to stopping and preventing this form of behaviour and it sends a message out to those individuals who act in this way that both the courts and police take it seriously."

Since moving to Axminster in September last year, Mrs Dyson has frequently distressed her neighbours with behavioural offences including verbal abuse and harassment, a police report explained.

Shopkeepers have complained about her behaviour since December, and police have been making renewed efforts to control the problems.

On July 28th she was imprisoned for 15 weeks as a result of a breach of her court restraining order.

◆ IN A separate incident, police seized a quantity of drugs and other materials from a property in the Bonners Glen area of Axminster.

Working with colleagues from the Honiton neighbourhood police team, officers executed a warrant to enter the property, where they recovered a quantity of controlled drugs and a number of items used for production.

An Axminster man has been released on bail and is due to appear at Exeter Police Station in October, while enquiries are ongoing.

As a result of a similar operation in March, another Axminster man has appeared at Exeter Magistrates' Court, after being charged with the production of cannabis and fined £150.

## From the editor's chair Persistence pays dividends

THE decaying frontage of Woolworth's old shop has been a blight on the shopping centre of Seaton for too long.

Woolworth pulled out of this prime trading site before the recession started to bite so there's been little hope of finding a new tenant for such big premises. Business rates alone are said to be £25,000.

With the appointment of local agents (Richardson Gill) there is renewed hope that a new tenant may be found, especially as the landlord has agreed to free rent providing the business rates are covered.

That they have taken this unusual action is very much down to the efforts of John and Rita Buckley, comparative newcomers to Seaton who recognised the town was looking a bit tired and decided to do something about it.

Showing great persistence, Mr and Mrs Buckley set about trying to get the High Street conglomerates to improve their premises. Lloyds Bank and Boots redecorated their buildings, encouraging other independent traders to do the same.

And their sheer determination has spawned a refreshing community action which tomorrow

(Wednesday) will see a group of volunteers turning up outside the unkempt frontage of the former Woolworths building armed with buckets and mops, brushes and paint, to give the eyesore a makeover it needs so desperately.

East Devon District Council are also doing their bit by power washing the front of the building.

There are those, of course, who believe that landlords should be forced to keep their premises in pristine condition. In an ideal world that would be the case and it would seem that most small towns suffer greatly through the neglect of premises once they stop trading.

With all other efforts to smarten up Marine Place having failed, at least the people of Seaton, led by the indefatigable John and Rita Buckley, are trying to do something about it.

I applaud them.

◆ ON Saturday I went to Whitford Show, 48 years after I first covered the village's annual flower show. That was on World Cup Day 1966 and they installed a black and white television in the village hall. Whitford Show is still going strong, a microcosm of traditional Devon Life at its most charming. Long may it continue.

Philip Evans

## SEATON

### Eyesore to be given a makeover

ONE of Seaton's long-standing town centre eyesores is to get a makeover - courtesy of volunteers.

The three-storey former Woolworths building in Marine Place, occupying one of the town's most prime trading sites, has stood empty for several years and is considered to be a blight on Seaton's commercial centre.

But tomorrow (Wednesday) a group of volunteers will descend on the building with paint pots and brushes to give the unkempt building a spruce-up.

The idea comes from residents John and Rita Buckley, who have been working hard to bring about improvements in the town centre by persistently contacting businesses and landlords about the state of the premises.

Mr and Mrs Buckley's efforts have already led to improvements in the past 12 months on a number of buildings, including Boots and Lloyds Bank who have both repainted their buildings.

Town councillor Sharon Bruce has been working alongside Mr and Mrs Buckley and has been recruiting helpers to assist with the clean up.

The landlord of the Woolworths building has agreed for the ground level part of the building to be repainted as a community project led by Mr and Mrs Buckley.

Councillor Bruce has appealed to local people to turn up with cleaning and painting materials. An appeal has also gone out for donations to pay for the paint.

The initiative has been welcomed by the Mayor of Seaton, Councillor Gaynor Sedgwick.

She told **Pulman's View**: "I am delighted that members of the community are rallying around to tidy up this building."

## OTTERY St MARY

### Council anger over community cash

AN OTTERY councillor has claimed the town is being "sold down the river", as a dispute over a developer's community contributions resurfaced last week.

Councillor Roger Giles made the comments during a town council meeting last Monday, where members expressed their anger over Redrow Homes' approach to cash donations.

A recent request by the town council for a small percentage of the developer's open space contributions to be spent on urgent repair work at Ottery St Mary Football Club had been rejected, councillors were told.

The request - for just £5,000 to repair the club's damaged kitchen roof - could not be granted because the terms of the agreement specified improvements only to the pitches themselves.

Speaking at the meeting, Councillor Roger Giles said he was concerned that the majority of the community funds would be spent on preparing the town's allotments for another planning application.

## HONITON

### On going battle for recycling scheme

FURTHER delays to the launch of a cardboard collection scheme in Honiton are set to frustrate recyclers, who have now been without a designated drop-off point since January.

And a Honiton councillor is now calling for the community to start its own pick-up scheme, with delays set to continue.

Tesco removed its skips earlier this year due to persistent fly-tipping and problems with mess, and East Devon District Council is in the process of planning a revised collection service.

In the meantime, efforts are being made to organise a temporary kerbside collection service to help frustrated residents, whose nearest cardboard recycling point is now the waste management facility at Sutton Barton.

But town councillor Sharon Pavey, who is also a founder member of local environmental group Transition Town Honiton, said it was now time residents worked to help the group come up with its own solution.

She said: "We would like to hear from people who can help the Transition group develop a community solution to recycling cardboard and mixed plastics."

"It is clear East Devon District Council is not going to do anything about this soon."

Back in April, Councillor Phil Twiss - one of Honiton's district council representatives - said discussions had taken place with some of the "major players" in the private sector, with a view to setting up a collection service.

But updating town councillors at a recent meeting, he said the scheme was facing further delays.

He said: "The bottom line at the moment is that we think we can do it but there will be some delays."

"To say I am profoundly disappointed at the moment would be an understatement, but I will not let it go. This is an ongoing battle."

## SIDMOUTH

### Beauty spot thieves

POLICE in Sidmouth have issued an urgent warning to motorists that their property may be at risk from thieves operating in a string of local beauty spots.

A number of offences have been recorded in recent months, with raiders targeting some of Sidmouth's most popular tourist attractions.

Thieves have snatched a range of valuable items left in parked cars, and officers have been focusing on Peak Hill, Salcombe Regis and Aylesbeare Common in an attempt to shut down the problem.

Other targeted sites have been identified at Weston, Salcombe Hill and Blackbury Camp.

Police officers are urging visitors to keep vehicles locked and windows closed at all times, and to ensure that valuable items are not kept on display.

■ NEIGHBOURLY: Town councillor and ACE member Andrew Moulding promotes the concept to Chris and Romy Parker-Sales

## Having YOUR say on the future of YOUR town

ABOUT 150 Axminster residents took the opportunity to acquaint themselves with the town's Neighbourhood Plan process.

The process is at an embryonic stage, so the public exhibition in Axminster Guildhall on Thursday August 7th aimed to sell the concept and persuade locals to get involved.

The Localism Act 2011 introduced statutory Neighbourhood Planning in England.

It enables communities to draw up a Neighbourhood Plan for their area and is intended to give communities more of a say in the development of their local area (within certain limits and parameters).

In addition, areas with a Neighbourhood Plan will get a bigger slice of what is currently known as Section 106 money (contributions towards infrastructure and other facilities made by developers as part of the planning application process).

Axminster Town Council successfully applied to designate the whole parish as a Neighbourhood Plan area, and the project is being steered by Axminster Community Enterprise (ACE).

Producing a plan is not done overnight as there are several processes to go through, including an independent examination and local referendum.

In Axminster, the aim is to complete the plan in late 2015 and have it formally approved in early 2016.

By Anders Larsson

anders@tindienews.co.uk

A number of focus groups – including areas like transport, tourism, leisure and so on – have been set up.

Local residents are encouraged to play an active part, and town councillor and ACE member Andrew Moulding said that a dozen or so had expressed an interest during the exhibition.

Every focus group already has four or five people on-board, and more are expected when potential members have had time to study material handed out during the exhibition.

Those attending the exhibition were also asked to complete a questionnaire.

Anyone who was unable to attend the exhibition can obtain a questionnaire from the library, tourist information centre or town council office.

ACE is also producing a specific questionnaire for employers. The aim is to deliver the questionnaire to every business premises within the parish.

However, any employer or self-employed person who does not receive one, can obtain a copy from the town council office in the guildhall.

About the exhibition as a whole, Mr Moulding said: "It went very well. We had a constant flow of people, about 150 in total."

## Collections raise £486 for soldiers

VOLUNTEERS from the Soldiers' Charity ABF are most grateful for the generous support given to their recent collections held at the Axminster Co-operative and Seaton Tesco stores, which raised a total of £486.62.

The charity was formed in 1944 following the Second World War and is entirely dependent on voluntary donations to carry out its vital role of providing support to serving soldiers, former soldiers and their families regardless of when or where they served.

The demands on the charity have doubled since 2006 due to the number of severe casualties arising from the operations in Afghanistan and

Iraq. Nationwide grants of £8.6million were made by the charity in 2011, £8.2million in 2012 and £8.08million in 2013.

In Devon alone grants to individuals alone amounted to £68,000 and the South West region needs to raise £300,000 a year to meet the increasing demands.

The organisers would like to thank all those who gave donations, the stores where they were held and the Royal British Legion Seaton and Axminster branches which assisted with the collections.

A further collection is being held in both Axminster and Seaton on Saturday, August 30th.

# New faces at Lyme Bay Winery

LYME Bay Winery has made two senior appointments in brand new roles to support ambitious growth plans.

The Shute-based company has brought in Roger Barrey as head of sales.

Roger has 25 years of experience in the drinks industry and has specialised in building international distribution, sales and volume for large drinks brands including Stella Artois and Coca Cola. His background makes him ideally suited to help the winery achieve its goal of doubling turnover within the next five years.

Mr Barrey said: "Lyme Bay Winery is already a very successful business with huge potential, so I am thrilled to join the team to head up the growth in sales that we plan to achieve – it's going to be challenging but hugely rewarding and I'm already thoroughly enjoying it."

Lyme Bay Winery was established in 1994 and founder and owner Nigel Howard added: "We are delighted to welcome Roger, who is a well-known name in the industry, on board during this very exciting time for Lyme Bay Winery."

"We are confident that he will help us accelerate the growth we are enjoying and enable us to deliver the exciting plans we have."

Michael Heighway has also been brought in as quality manager, using his background in biochemistry.

Michael said: "I have always loved the drinks which Lyme Bay produces – particularly the mead – so I know first-hand that the products are of exceptional quality."

"I plan to use my expertise to ensure exceptional levels of quality are maintained across the business which will directly support our plans to

grow bigger and better in the coming years."

General manager James Lambert explained: "Michael brings us a wealth of experience and specialist knowledge which will help us realise our potential over the next few years – especially to establish mead as a mainstream drink and increase our share of the growing cider market."

# Unruly jobs cause mayhem in town centre

A GROUP of unruly youths is causing distress and alarm in and around Axminster town centre, say police.

The most serious incident involves an adult male, who was allegedly verbally abused and later pushed in the chest in broad daylight.

Police have a good idea of who the youths involved are, but would like to hear from anyone who has encountered them.

PC Darren Herridge said that police had received a number of complaints about a group of boys and girls believed to be aged 14-16 years.

The complaints involve what was described as "general rowdiness and anti-social behaviour".

The group consists of about ten youngsters and the incident involving the man happened on Tuesday, July 29th.

The man encountered the group in Lyme Street at about 2.55pm, and was allegedly verbally abused by group members.

The group and the man went their separate ways but encountered each other again about 15 minutes later in

by Anders Larsson  
anders@tindlenews.co.uk

South Street. A male member of the group is alleged to have approached the man and pushed him in the chest.

It is understood that the man contacted police but opted against making a formal complaint.

PC Herridge said: "Police have identified a number of group members and are looking at what is known as the anti-social behaviour process.

## Appropriate balance

"Anyone who has experienced anti-social behaviour and misbehaviour in the town is asked to call 101 and ask for Axminster Police Station."

According to Devon and Cornwall Police literature, the Anti-Social Behaviour and Escalation Policy involves a number of agencies and aims to "ensure that anti-social behaviour is tackled with the appropriate balance between support for those who are willing to accept it and swift, effective enforcement for those who are not".

The process could lead to the issuing of anti-social behaviour orders known as ASBOs.

■ RESOURCEFUL: TIC friends with Amos replicas for sale

## Amos the teddy bear is TIC's official ambassador

THE committee behind Axminster Tourist Information Centre (TIC) has appointed a teddy bear named Amos as town ambassador.

Currently in Costa Rica on his first official mission, Amos proudly displays the Axminster logo.

The idea is that Axminster residents bring the teddy bear along, be it for an overseas holiday or a day trip in the UK, and take a photo of the teddy bear at the chosen destination for publication on the TIC's website.

It is hoped the teddy bear will attract attention and make people interested in visiting Axminster.

Amos is currently in Costa Rica with

TIC manager Jill Ruddick's daughter, Meg.

Jill said: "When they return, Amos is available for holidays or day trips in exchange for a photo to put on the website."

She also said that visitor numbers compare very well with last year's.

In June, the TIC took 1,064 visits, slightly up on the 1,035 for corresponding month the previous year.

A final figure for July was not available at the time of writing, but Jill said it was expected to beat the 1,327 registered in July last year.

Amos replicas are on sale at the TIC.

## Jack and Tracey's 69-mile run along Hadrian's Wall

JACK Neal and his daughter-in-law, Tracey Neal, needed less than 24 hours to power walk/run 69 miles non-stop from Cumbria to Northumberland along Hadrian's Wall in aid of Axminster Tourist Information Centre (TIC).

They finished The Wall Run in 23 hours, 24 minutes and 25 seconds.

Jack is the secretary of the newly-formed committee running the TIC. The amount raised from the The Wall Run has not been announced, but it was aided by a bucket collection at the TIC stand at Axe vale Festival.

TIC committee member Sarah Crook said: "They trained long and hard for this event and certainly deserved to succeed."

"They really have gone that extra mile to support us. We are still collecting sponsorship money for this amazing effort and if anyone would like to donate they are welcome to call in to the TIC, which is open from 10am until 4pm, Monday-Saturday."

Jack said: "Despite the heat and getting lost a couple of times overnight we were determined to finish."

"It was a real team effort, Tracey helped me during the first half of the race and I was able to help her through a bad patch with 11 miles to go and we had great support from Tracey's parents."

Tracey commented: "It was amazing, thrilling, and an emotional once in a lifetime experience. I couldn't have had a better partner."

■ **CERTIFICATION:** Kelly Baker and Master Paul von der Heyde

# Kelly one of 'brightest young talents'

By Anders Larsson  
anders@tindlenews.co.uk

AXMINSTER Tools & Machinery (AT&M) employee Kelly Baker has widened her professional horizons through an intense three-week course run by The Furniture Makers' Company in London.

Kelly was one of only four people selected for the course, which aimed to provide participants with a broad range of furniture industry skills they can use in their workplaces.

The Furniture Makers' Company selected "four of the brightest and best young talents" for the intensive three-week experience.

The course covered components and raw materials, the complexity of manufacturing, testing, buying criteria, pricing, marketing, merchandising, customer service, consumer law and after-sales.

The students also attended tours, presentations and seminars hosted by other companies including John Lewis, DFS and Marks & Spencer.

In total the group members visited 17 companies travelling the width and breadth of the UK.

Kelly, who works in specialist sales business development, said: "I thoroughly enjoyed my time on the course. "I feel extremely fortunate to have been given the opportunity to spend time with some of the furniture industries' leaders."

"We were given a broad, yet detailed insight into the world of business and I have no doubt I will be able to use the skills I have learnt throughout my career."

AT&M sales director Alan Styles commented: "The three weeks gave Kelly a fantastic opportunity to gain an insight and knowledge of the furniture industry. The presentations delivered by all four of the young professionals were excellent and The Furniture Makers' Company did a very thorough job of bringing a good number of companies together to make the course possible."

The course culminated with each of the four young professionals giving a presentation about what they had learned over the three weeks, and how they felt this could be put to practical use by their respective companies.

The presentations were made to a group of VIPs, liv-erymen and senior representatives from the companies involved.

Paul von der Heyde, the Master of The Furniture Makers' Company, went on to say: "The four young professionals, who have enjoyed learning everything from design to retail and from fabrics to fitted kitchens, have had the opportunity of a lifetime."

"I am sure it will stand them in good stead for great careers in our growing industry."

"We owe huge thanks to everyone involved for making this possible and look forward to developing the course further for the future, so we can offer this opportunity to more talented young people who will help our industry to flourish for many years to come."

■ **INTREPID NINE:** Axminster Tool & Machinery workers pictured (from the left) David Jones, Ben Vine, Craig Steele, Charlotte Vincent, Maddie Edwards, Chris Long, Dom Tait, Karl Moore and Katie Reid.

## Tool centre staff raise £3,000 in parachute drop

AUGUST 3rd was no ordinary Sunday for nine Axminster Tools & Machinery employees.

All nine – David Jones, Ben Vine, Craig Steele,

Charlotte Vincent, Maddie Edwards, Chris Long, Dom Tait, Karl Moore and Katie Reid – had volunteered to skydive for Hospiscare's new facility

being built in Honiton.

Their day at Dunkeswell Airfield started at 8am with the training and briefing required to do the jumps.

By 12noon they had all successfully completed their jumps.

Organiser of the event, retail administrator, Maddie Edwards, described the experience: "The first person to do the dive was Dave, then it was Charlotte, Ben and myself, and the final group was Chris, Craig, Karl, Dom and Katie."

"We were free falling for a minute at 15,000ft before the parachute opened. We fell 10,000ft and the parachutes opened at 5,000ft."

"From this height you could see the Bristol Channel and Wales in the distance, and the south coast up as far as Weymouth and down as far as Torquay."

"The views were amazing and it was as though you were just looking at a picture rather than actually being up in the air slowly floating down."

"The plane had landed before we did. Everyone has said it was one of the best experiences of their lives. Now, we just need to try and top this next year."

The group raised £3,160 in total.

If anyone would like to support this event by donating to Hospiscare, this can still be done by texting ATMH50 plus the amount you want to donate to 70070 or by visiting [www.justgiving.com/Team-Axminster](http://www.justgiving.com/Team-Axminster) TM

## Arada Stoves

### Arada Stoves- 'Putting warmth at the heart of the home'

WE DIDN'T become the UK's No.1 manufacturer of stoves overnight. It's been 30 years since we started warming homes and hearts. But from day one, our stoves

We believe our reputation is built on every stove we

Each and every Arada stove starts life in the hands of our craftsmen in our purpose built factory on the Millwey Industrial Estate.

Our focus remains entirely on British values, maintaining a strong united workforce and ensuring our ethos remains invested in UK manufacturing, as well as our local community.

With an extensive stove portfolio, our state of the art factory and machinery allows us to manufacture our range of stoves on site from start to finish. Our stoves start life as raw steel and are hand finished to perfection from cutting and welding to spraying and packing by our highly-skilled and well-trained workforce. Our team ensure our stoves bear all the hallmarks of being designed and built in Britain by people who take pride in a job well done.

With our large scale production comes our investment, with as many of our raw materials as possible being sourced from the UK. ## Shiver me timbers

■ The assembled pirates at the Town Hall  
Words and photos by IAN BARRADALE

AFTER weeks of sunshine the weather broke on August 1st, the day of the Children's Pirate Parade in Seaton Devon Air Ambulance Week.

During heavy rain the start of the parade was changed to the Town Hall as more than 30 children turned up all dressed as pirates.

With the fancy dress judged by Seaton mayor, Councillor Gaynor Sedgwick, and the rain having stopped, the pirates set off to claim their booty from the town shops.

First call was to Rhoda Snell from Tesco who had arrived at the Town Hall and then onto the other shops in the town who had displayed an X in their windows.

Yorkshire Building Society, Sweet Heaven, Osborne's, Temptations, Byrne-Jones, Woodys and New Look News all took part.

Then it was onto the Seaton Tramway Terminus where the pirate band had a ride on specially laid on trams.

## Country fun for all at Southleigh Fayre

THE annual Southleigh Fayre will be held tomorrow (Wednesday) from 2pm to 5pm at Lees Farm, with countryside attractions for all the family.

Entertainment this year will include Johnathan Marshall's amazing falconry display on horseback. The falcons chase a swung lure at over 100mph while dancing Spanish horses perform to music. Costume and showmanship make this a display like no other and it was recently featured on BBC1's "Countryfile".

There will also be more horses performing in equestrian musical ride, as well as sheep races and a family dog show.

Other attractions will include sheep sheering, cattle milking, a display of modern farm machinery and a vintage tractor parade, plus Pung & Judy, children's games, a tug o' war, egg throwing, face painting and a bouncy castle.

Market stalls will be selling a variety of homemade and local produce and crafts, Devon cream teas, cakes, a barbecue, sandwiches, ice cream, crepes, and Southleigh cider and Branscombe beer on tap.

Entry is £2.50 for adults and accompanied children under 16 go free, with free parking also available.

Money raised at the fayre will be used to support the village hall, church and other local charities.

## Barnstormers at Chardstock

ORGANISERS of Chardstock Street Fayre are to present The Barnstormers in Chardstock Community Hall on Friday, September 26th, starting at 7.30pm.

This barn dancing spectacular will raise funds for local, national and international charities.

Street fayre member Graham Vyse said: "Come along and enjoy this evening of fun and frolics for the whole family - and remember that, when barn dancing, everyone looks silly."

"A ploughman's supper will be included in the price of admission but participants are invited to bring their own alcoholic beverages if desired; soft drinks will be available for purchase in the hall."

Ticket prices are £8 for adults, £5 for under 16s and £20 for a family ticket for two adults and two under 16s, available at Chardstock Stores and Post Office from August 26th.

## Pupils present the profits from their own businesses

■ **YOUNG ENTREPRENEURS:** Children from St Andrew's Primary in Chardstock present profits from their own businesses to the Devon Air Ambulance Trust

YEAR 5 and 6 pupils from St Andrew's CE Primary School in Chardstock were extremely proud to present a cheque for £158.60 to the Devon Air Ambulance Trust.

The amount represented the profit they children made through their spring term enterprise project.

The class formed four companies amongst themselves and were tasked to design and make products which had been recycled, reduced or re-used in some way to sell at the school's May fayre.

Each company was given a start-up loan of £5 to help with purchasing resources

and advertising costs.

A school spokesperson said: "The items sold included fairy cake mixes in recycled jars, pencil holders, tea-light holders and mouse pin cushions and profits ranged from approximately £15 to an incredible £80.

"The children not only worked very hard to create their items and run successful businesses, but we were also very proud of the way in which they organised their own stalls at the fayre and the commitment they demonstrated to raising money for a charity of their choice."

## Quilts on show for children's charity

■ **STITCHING SAINTS:** Members of the All Saints Quilters, pictured above, held a tea party and their second quilt exhibition last week at the All Saints Village Hall, near Axminster, in aid of Children's Hospice South West. Fabrics, quilts and templates were on show for the visitors alongside a raffle, refreshments and sales table. Members made 16 quilts that were donated to the Little Bridge House children's hospice in Barnstaple, given to representative Paula Hullett (pictured left), and all proceeds also went to the Children's Hospice South West. Margaret Lench, chairman of the All Saints Quilters, said: "We would like to thank Tesco and The Fabric Shop in Axminster for donating items needed for our exhibition. An enormous amount of work was done by all our members, so a big thank you to them as well."

## Garden party for Tanzania orphanage

KILMINGTON residents Lionel and Iris Quick are to hold a three-day garden party and sale in aid of Yatima Orphanage in Dar-es-Salaam, Tanzania.

Lionel and Iris have supported the orphanage for a number of years and the sale will be held at Koceda, Wellmead, (opposite the New Inn) in Kilmington on Thursday, Friday and Saturday, August 14th, 15th, and 16th from 10.30am to 5pm each day.

The orphanage cares for up to 150 children, aged up to 16, many of them orphaned because of HIV and AIDS.

Lionel and Iris said: "Actual education for primary age is free, but uniforms, which are compulsory, are not."

"Secondary education has to be paid for in full."

"With approximately 50 of primary age alone, uniforms are a considerable expense."

# Make your voice heard to save Seaton Hopsital

■ HAVING just returned from the Seaton Hospital League of Friends event in the town I am reminded (if reminder is needed) what a wonderful facility Seaton Hospital is, and right on our own doorsteps.

We have a modern hospital complex allowing our loved ones to recuperate near to friends and family following surgery, which is also home to outpatient services such as podiatry, audiology and physiotherapy, and offers such minor surgery procedures as our excellent health centres cannot provide.

However, in order to secure its future this valuable resource, built with the help of generous donations, could and should be used more. The trips to Wonford,

with the associated trauma of finding parking spaces, could be avoided by consultant outpatient appointments and clinics being offered at Seaton. We are sometimes offered these at Axminster and Exmouth hospitals, so why not also at Seaton?

I urge readers to make their voices heard before it is too late, and petition those who make these decisions at Northern Devon Healthcare NHS Trust not to act in haste and close our hospital.

RACHEL MASON,  
Seaton

## Access for pedestrians needed between Colyton and Colyford

■ I NOTE from recent comments that Colyford is thinking of making a unilateral declaration of independence from Colyton.

The people of Colyford may have a point that Colyton facilities are difficult to access, especially for those without cars. There is no suitable pavement or cycle path linking Colyford with the facilities at Coly Vale and Colyton, for instance the Peace Memorial Playing Field, children's childcare and play area, and the Reece Strawbridge Youth Centre.

The choice is either to walk along the busy and danger-

ous B3161 Coly Road with fast moving traffic, go over Hill Head or go through the muddy fields.

A great benefit for both Colyton and Colyford would be to spend Section 106 money to join up both communities by building a direct and safe footpath/cycle path through the fields between Coly Vale, Shells Lane and Fair View Lane.

ANDREW SIBLEY,  
Mounthill, Colyton

## Pull your finger out to improve A35 safety

■ WE moved to Raymond's Hill about three months ago and love it here, except for just one thing - the traffic speeding on the A35.

Regularly vehicles race by at 50/60mph and yesterday there were two motorbikes travelling at well over 70.

We understand that there have been several fatalities and many accidents along this stretch of road, but that the authorities are totally impotent about doing anything to address the problem, in spite of many complaints from residents.

There are many things that could be done and it would be interesting to hear from the police/local authorities why any of these ideas could not be implemented:

- 1) Speed cameras at the top and bottom of Raymond's Hill;
- 2) Reduce the speed limit to 30mph - drivers would

think twice about travelling at 50mph through a 30 zone;  
3) Extend the speed limit zone by half-a-mile to the west;

4) Flashing lights either indicating the vehicle speed as a reminder.

No doubt it will be said that money is the object. But to those people I would say how much does it cost when an accident occurs? Ambulance, fire engine, hospital stay, traffic hold-ups and, in the worst case, funeral costs. And, of course, the stress and heartbreak of friends and relatives of those caught up in the most serious accidents.

So, come on, let's hear from those in authority who could make a difference. Pull your fingers out and make our road safer!

BOB FIRTH,  
Raymond's Hill

## Beer council 'bending to the few'

■ AGAIN, it seems that Beer Parish Council appears to be bending to the few (with loud voices) than the many who use Beer East Beach responsibly to exercise their dogs.

Those of us who keep Beer ticking over during the winter months realise the importance of all the visitors we attract during the summer months.

Does the parish council realise that many of these holi-

daymakers only stay within our bay because of the availability of this dog friendly beach?

I understand that it is the few spoiling this for the many, but do locals - again - have to be penalised for the whole year?

MARIA GRIMSHAW,  
Beer

## Heavy fines will deter irresponsible dog owners

■ SUCH great weather, children out of school and playing out time, that's good. But unfortunately in Axminster it's dodge the dog poo in so many areas.

Who are these thoughtless dog owners using The Jubilee Field, Woodbury Lane, the cycle path to Weycroft, North Street and most of the surrounding public foot-

paths? A mother walking her child in town had to clean up her child in the library.

Would a visit from a dog warden help? Perhaps a few heavy fines might deter these irresponsible people.

ANNE SMART,  
Axminster

## Jurassic Centre should include biblical evidence too

■ ANDREW Sibley's letter in *Pulman's View* (July 2nd) deserves serious consideration.

The global flood in 2370 BCE had a major impact on landscapes around the world. It would be proper and balanced for the Jurassic Coast visitor centre in

Seaton to feature the biblical and scientific evidence this global event had on our coastline.

MUCH of recent time at our churches and elsewhere has been devoted to the events surrounding the beginning of the First World War.

Great appreciation is due to all those involved in the arrangements. Many of these events have been centered on local churches and their activities, and reflected especially personal memories. Much effort has been expended in trying to trace all those with East Devon connections, which in turn has helped relations trying to establish news of their kin.

We must remember that the commencement of the First World War was always bound to take great importance, being the conflict which re-drew the map of Europe in our time, amongst other things.

While these events have been ongoing in our own country, the current news from the Middle East, including the so called Holy Land and nearby territories, has been the scene of much violence. Canon Andrew White, Chaplain at Baghdad, which is linked with Exeter Diocese, reports that Christians there are in grave danger – to be echoed elsewhere by the Archbishop of Sydney. For all those wishing to give help, it is possible to provide donate to the foundation FRRME, both in the US and in the UK (a registered charity) - visit [www.frrme.org](http://www.frrme.org)

The CofE foreign policy adviser Dr Charles Reed has called on the British government to cope with those in particular trouble who feel abandoned. Sadly, it is noted that, as yet, no senior British officer has spoken further on these issues. Other Anglicans involved in the area are continuing to play a part as far as possible and many more are on hand to care for the injured and bereaved and their relations at home. Effects and consequences of recent events will, however, long be with us, so life goes on and our prayers are needed.

Life and events in Devon continue - services in all Ottery St Mary's churches are as usual during August but there is no lunch club at the Salvation Army. We continue to welcome a wide range of visitors from all parts of the country and abroad.

Thursday, August 14th sees a garden fete in the grounds of the Roman Catholic Church in Silver Street, Lyme Regis, from 2pm to 4pm. For more details call 01297 444825. August 14th also offers the usual Minster Concert at 12.30pm in Axminster with light lunches. Guidelines is a unique Bible reading resource that offers four months of in-depth study written by leading scholars. Contributors are drawn from around the world, as well as the UK, and represent a stimulating and thought-provoking breadth of Christian tradition. Instead of the usual dated daily readings, Guidelines provides weekly units, broken into at least six sections, plus an introduction giving context for the passage and a final section of points for thought and prayer.

On any day you can read as many or as few sections as you wish, to fit in with work or home routine. As well as a copy of Guidelines, you will need a Bible. Each contributor also suggests books for further study. Published every four months (in January, May and September) – edited by David Spriggs, and is worth the poems, prayers and individual stories – all of which will be useful as the First World War centenary unfolds.

Another from the Bible Society is "Hear My Cry", which offers words when there are no words, poems psalms and stories to mark the First World War. In all there are 132 pages for under £4.

Liz Lynn at Axminster rounds off for us this week: "Many thanks to the volunteers at Axminster who tend the Minster flower beds in all their interest, variety and beauty. That loving care sanctifies the busy street as do the smiles and greetings of friend and stranger, and simple courtesies as people stand aside to make room for pedestrian traffic swelled at this time of year by visitors.

"Many thanks too to the people who keep our public toilets so clean and welcoming; holy is the brush and mop! God's presence made visible by thoughtful, conscientious and caring actions, great and small."

## Kilminster marks WWI centenary

THE 100th anniversary of the outbreak of the First World War was commemorated in Kilminster with events organised by the local branch of the Royal British Legion.

Flanders poppies were grown by members of the Kilminster branch by the war memorial and for the Commonwealth Grave in the churchyard of the Reverend Edward Botwood, first Vicar of Kilminster who also served as Chaplain to the 4th Battalion of the Devonshire Regiment and died in 1916.

The branch held a get together at the Old Inn on Friday, August 1st, during which most of the chat was about the Great War and the commemorations which were going to take place over that weekend.

The branch also organised an evening of commemorations in the village hall on the Saturday, which started with a presentation by six branch members on the causes of WWI from the perspective of the main participant countries, and finished with a talk by Dr David Ingles on how he researched his excellent booklet "Kilminster at War 1914-18", recounting the stories of several families in the village affected by the war.

A supper prepared by branch member Claire Dainton was then served to nearly 80 residents and £500 was raised for the Poppy Appeal.

A United Service of Commemoration was held in St Giles' Church on Sunday, August 3rd, led by branch Chaplain Pastor Darrell Holmes, with a sermon by the Reverend Anne Mills. Branch President,

■ COMMEMORATION DINNER: The Royal British Legion organised an evening of commemorations in the village hall

retired RAF Gp Captain Brian Lavender, read the roll of honour and the chairman, Roger Lovegrove, led the Exhortation. The Lesson was read by retired RN Commander Stafford Seward and Neville Cromey-Hawke read the words of Sir Edward Grey, Foreign Secretary at the time: "The lamps are going out all over Europe. We shall not see them lit again in our time."

It was a moving service with special prayers and readings together with appropriate hymns. The collection of £379 was donated to the Poppy Appeal.

Most houses in the village took part in the national lights-out campaign between 10pm and 11pm, showing just one candle in the window.

The branch now intends to organise a WWI remembrance event in each of the next four years, covering the various stages of the conflict.

## Buddy, the loveable and curious T-Rex, continues his adventures until the end of August!

IT'S a well-known fact that today's reptiles evolved from dinosaurs. As a part of the Seaton Tramway events season, Dinosaur Train™ successfully began fully last Sunday at Colyton Station where children of all ages were transported back to the Jurassic era to discover all sorts of dinosaurs and exotic reptiles.

With Buddy, the loveable and curious Tyrannosaurus Rex in the lime-light, part of the Adventure Activity Area demonstrated today's connection with the dinosaurs. The children were able to handle various reptiles from snakes to bearded dragons and were given lots of interesting facts about their history and habitats.

One of these reptiles was called Jackson, a male black and white Argentinian Tegu, which typically inhabit savannahs and rain forests. They are largely terrestrial, and spend lots of time in deep burrows, which give protection from dehydration and extreme temperatures. Tegus are omnivores and eat an assortment of insects, meat, fish and various high calcium fruits like blueberries. They can grow up to four and a half feet long and can live between 15 and 20 years.

To meet Buddy and Jackson, The Dinosaur Train™ will depart from Seaton Terminus at 11am every

Sunday in August and Bank Holiday Monday 25th August. Due to popular demand, extra departure times have been added. All children will receive a Dinosaur Train Goody Bag and the entire family is guaranteed to have a great time. Tickets are £14.95 per adult, £9.95 per child 2-15, under 2's are free (A family saver ticket of 2 adults + 2 children costs just £39.85).

You are advised to book early either online at [www.tram.co.uk](http://www.tram.co.uk) or by phoning the booking hotline at Seaton Tramway on 01297 20375.

HIGHLY-REGARDED theatre organist and Principal Tutor of the Rye Wurlitzer Academy, Michael Wooldridge performed in Beer on Saturday, August 9th. The audience were treated to one of the best Wurlitzer shows ever and were enthralled at the wonderful music he created on the oldest Wurlitzer in the UK. His varied programme featured show tunes from *My Fair Lady* and *Oliver*, the big band sound of Duke Ellington, a memorable rendition of Ravel's *Bolero* and medleys of many

Michael Wooldridge at the Beer Wurlitzer

popular favourites.

Michael's musical career has spanned thirty years – in 1980 he was the UK Young Theatre Organist of the Year and was thrilled to tell the audience that one of his students has just won this same honour. Michael is often heard on Radio 2, has played for HRH Prince Charles at the Odeon in Leicester Square and has been the piano soloist with the Mantovani Orchestra. Organisers are delighted to announce that he will be playing in Beer again in 2015!

The Friends of the Beer Wurlitzer are proud that musicians like Michael enjoy visiting Beer and performing on this special Wurlitzer. However, in order to keep 'our grand old lady' in good shape, there is a continuous programme of maintenance and renewal. We thank our audiences who come from a wide area for their support and give especial thanks this month to Geoff Archer, our technical expert from Seaton, for the many extra hours

he worked to ensure a superb show.

The next Wurlitzer show will be on Saturday, September 13th, at 2pm, when Richard Monks, national concert and dance organist, makes a welcome return. Shows are held at the Congregational

## Mini & Justpark – A World First in Smart Parking

JUSTPARK, the online service that lets you park wherever and whenever, has revealed that MINI will be the first car brand in the world to allow drivers to reserve park directly from their dashboards.

Using the app, JustPark-registered drivers can find, book and navigate to a parking space, choosing from over 100,000 spaces across the UK.

Integrating the complete parking process into the vehicle's navigation system for the first time, the free-to-download JustPark app eliminates the time spent circling the streets looking for a suitable spot, an inconvenience that costs the average driver 106 days of their life.

#### How does it work?

Using the app, drivers can choose whether to input their final destination or search for parking around them while on the go. Drivers then browse a selection of convenient parking spaces, from car parks and hotels to homes and pubs. They can explore location details, pricing and reviews left by previous drivers.

Once drivers have chosen and paid for a space, they are directed to their destination by the car's navigation system. The app is designed to be used while on the move, having undergone extensive safety testing by BMW laboratories in Munich.

#### JustPark and BMW

The app is the latest product of the partnership between JustPark and BMW i Ventures, the venture capital arm of BMW that invests in startups working to improve mobility in urban areas and

took a strategic stake in JustPark – formerly known as ParkatmyHouse – in 2011.

JustPark founder, Anthony Eskinazi, said: "In 2014, no driver should have to experience the stress and uncertainty of circling the streets for that elusive parking space. JustPark gives drivers the convenience of finding and reserving an affordable parking space in moments. Just as we use apps to order taxis and takeaways, parking is finally being brought out of the dark ages."

Chris Brownridge, Director for MINI UK, added: "MINI Connected is all about helping owners to interact with the outside world whilst

on the move. Not only does our in-car system allow people to talk, listen and engage in a convenient way, but now it also helps them to find a place to park."

He continued: "The JustPark functionality – which is a world-first for MINI – will make securing a convenient parking place in our busy towns and cities a breeze."

JustPark has also today announced that it has secured an investment from Index Ventures, the investor who has backed many of today's leading online brands including BlaBlaCar, Just-Eat and King.

## The Fastest, Most Powerful Land Rover Ever

▲ The new Range Rover Sport SVR

THE Range Rover Sport SVR is set to make its global debut at Pebble Beach on 14 August. The fastest, most powerful Land Rover ever produced is the first model to wear the SVR designation being adopted by future Land Rover and Jaguar high-performance models.

The Range Rover Sport SVR accelerates from 0-60mph in just 4.5 seconds. A top speed electronically limited to 162mph and a Nürburgring Nordschleife lap time of 8 minutes 14 seconds – one of the fastest times ever recorded by a production SUV – underline its performance credentials.

The SVR's range-topping 5.0-litre supercharged V8 engine has been developed to produce 550PS and 680Nm – substantial

40PS and 56Nm increases – without compromising fuel economy. And its advanced ZF 8HP70 8-speed automatic transmission and four-wheel-drive chassis have been optimised to complement its astonishing performance, whatever the weather.

In a world first for Land Rover, the Range Rover Sport SVR is equipped with a two-stage active exhaust featuring electronically controlled valves. The system optimises sound quality, performance and aesthetics and provides a racecar-inspired soundtrack at higher engine revs without adversely affecting refinement during steady-state driving.

Meanwhile, in another first for Range Rover, unique 22-inch alloy wheels with performance-optimised 295/40 R22 Continental

SportContact 5 tyres complement the driver-focused chassis. As standard, new 21-inch alloy wheels with 275/45 R21 all-season tyres offer unparalleled all-terrain capability.

Exterior design enhancements ensure the SVR makes a striking visual impact, while simultaneously boosting cooling and aerodynamic efficiencies. A bespoke interior featuring unique sports seats provides further visual differentiation and ensures occupants are held securely in place.

John Edwards, Managing Director of Land Rover's Special Operations, said: "The Range Rover Sport SVR is a natural progression beyond the core vehicle's outstanding on- and off-road capabilities and leading-edge design. Its exhilarating performance will satisfy a particularly demanding customer set."

"A thorough range of revisions specially developed by Land Rover's Special Vehicle Operations combine to make this premium derivative even more distinctive both inside and out, as well as taking its dynamic capabilities to the next level without impacting on comfort, refinement or all-terrain versatility. The Range Rover Sport SVR is truly the world's most capable performance SUV."

The Range Rover Sport SVR builds on the success of the new Range Rover Sport, with its all-aluminium monocoque – a world first in the segment – which reduces weight by 39% compared with its predecessor and provides the ideal strong, stiff and lightweight structure on which to create the Range Rover Sport SVR. The premium sports SUV unleashes the full potential of the lightweight and robust all-aluminium architecture, while retaining the refinement, luxury and off-road

capability for which Range Rover is world renowned.

SVR is fitted with permanent four-wheel drive and a two-speed transfer case, with a low-range option for demanding terrain, and a 50/50 percent torque split front-to-rear. The upgraded air suspension system automatically varies between two ride heights, and the next generation ground-breaking Terrain Response® 2 system automatically selects the most suitable terrain programme.

The Range Rover Sport SVR's lightweight aluminium suspension is fully-independent, with wide-spaced double-wishbones at the front and an advanced multi-link layout at the rear. Wheel-travel is class-leading (260mm front and 272mm rear) and provides exceptional wheel articulation of 546mm to deal with the toughest conditions.

Wade Sensing™, introduced on the Range Rover Sport, also features on the SVR. This innovative technology provides 'depth' information when driving through water, and in line with the mainstream Sport, the vehicle can wade up to 850mm. It also has towing capability up to 3000kg.

The Range Rover Sport SVR has been created by Jaguar Land Rover's Special Vehicle Operations team and all SVR models need to meet key performance criteria to wear the SVR badge. Range Rover Sport SVRs will be built alongside their mainstream sibling models in our existing production facilities and sold through Land Rover's dealer network.

Range Rover Sport SVR – designed, engineered and built in Britain – amplifies the engineering integrity, robustness and attention to detail that are Land Rover hallmarks.

## East Devon Cricket round-up

## Mudd makes it clear - Seaton are champions! Townsend's ton quells Shaldon optimism

A MAGNIFICENT 162 from Will Mudd along with 96 from 16-year-old Ollie Pinnock has all-but confirmed Seaton 2nds as Division D champions.

The Pirates second string won by a huge margin of 158 runs at Uplyme & Lyme Regis 2nds whose own promotion hopes appear to be over.

Elsewhere, it was a good weeknd for Ottery St Mary with all three teams winning. Skipper Lewis Townsend clipped a fine 113 in the Otters' 1st XI's Division C141-run win over Shaldon Optimists.

In Division B Axminster 1st XI's David Murnane just missed out on three figures when he reached 97no in in the 73-victory over Braunton.

The Foreigners got off to a good start with their captain winning his game, but this only spurred the Devonians on as they went on to win 8 1/2 to 4 1/2.

This year AVR's Matt Clist won in 38:34 and Lin Lascelles also won the ladies event, she was 18th overall in 44:56.

Bayliss was the first M60, 23rd overall, 46:16 and Joshua Hopson had a fine debut run finishing 29th, 47:30. Eleanor Wood was 3rd Lady, 36th overall, 48:52; Mark Hilder 53rd, 52:02 and Paul Hampton 84th, 62:07.

# Ottery crowned Jubilee cup champions

### FENITON with Roger Smith

IN the over 60s triples league, the B team triumphed by 37-31 over their nearest rivals TIVERTON WEST END C and thereby maintained their position at the top of their league.

The winning rink was; G Phillips, L Ley and R Clarke 22-13. The A team secured four points from a tied match 35-35 away at Okehampton A. The winning rink was; E Cox, M Chipperfield and A Evans 23-14.

The ladies defeated MADEIRA 37-26 in their NBTL match. The winning rink was; J Smith, A Pritchard and A Coyne 23-13.

The mixed team lost 86-112 at home to MADEIRA, the only success being two tied rinks.

They recovered to defeat TIVERTON WEST END, in an evening match, by 109-86. The winning rinks were; A Coyne, B Halse, G Phillips and R Smith 30-13, D Bowden, G Perryman, R Cooke and D Coyne 23-13 and J Smith, R Lovering, S Kury and P Spreadbury 24-20.

### AXMINSTER with David Harris

THE club has enjoyed an excellent period with four wins out of the five matches played.

In the mixed friendlies we started with a 90-61 home win against SEVERALLS with success for Lou Harris, Daphne Ryan. Steven Apsey, and John Hill (32-13), Margaret Stancliffe, Norman Copland, David Harris, and Ann Clayton (23-15), and Les Clark, Margaret Brown, Pam Hunter, and Brian Clark (19-16).

We then travelled to DONYATT and came away with an excellent 67-64 win thanks mainly to the efforts of Margaret Brown, Steven Apsey, and Sheila Martin (28-6) – owing to the inclement weather we were lucky to be able to play this game indoors.

Finally we beat DUNKESWELL 77-59 at home with wins for Phil White, David Harris, and Sheila Martin (24-16), Martin Apsey,

Les Clark, and Margaret Crompton (22-12), and Pam Clark, Steven Apsey, and Derek Pheby (16-14).

Unfortunately the DEVON PATRONS were unable to raise a team for their scheduled friendly.

In the Devon Over 60s League we lost 45-22 at SEATON but enjoyed an excellent 45-22 home win against the League leaders NORTH TAWTON gaining a maximum eight points with wins for Les Clark, Brian Clark, and Sid Milburn (26-8) and Howard Keep, David Harris, and Doug Looskan (19-14).

### SEATON with Linda Stone

IN the first friendly of the week Seaton were beaten 50 shots to 80 at Ottery St Mary in a mixed four-rink game. Seaton's top rink was; Ruby Grigg, Keith Miles, Reg Pluck & Terry Hurley-Smith.

There were three ladies over 50s triple league games played this week against Topsham, Crediton Green and Mordard Bishop.

The games against Crediton and Topsham brought wins on both rinks for Seaton however the game against Mordard Bishop went to the wire, Seaton winning overall by just one shot. After these three wins Seaton are now second in the top division behind Sidmouth.

On Wednesday, in a tight and tense match, Seaton Over 60s B team managed to secure eight points, winning 31-26 at home to Tiverton Borough.

Top triple was Richard Whitworth, Bob Scull & Jeremy Allison.

Meanwhile Seaton "A" entertained Culm Vale C in the Over 60s Triples League and struggled to overcome the opposition to win 31-28. However, the six points obtained were enough for Seaton "A" to clinch the Division Three title with three fixtures remaining.

The top triple was that of Peter Newton, Ron Rowley & Les Tooze who won by 10 shots.

Thursday saw Chard visiting Seaton to play four mixed triples. Seaton won 73 shots to 52. The top triple was; Sue Smith, Peter Newton & Hazel Smith who won 21 shots to 9.

Friday brought another friendly at Madeira, which Seaton won 72-61. Top rink for Seaton was; Ted Talbot, Brandon Curl (in his first game), Linda Stone and Jeremy Allison who won 21-13.

### OTTERY ST MARY with Mike Smith

FOR the second year running a team from Ottery St Mary has won the LYME REGIS JUBILEE CUP.

With seven invited teams and seven Lyme Regis teams playing a round-robin format over 28 ends, the team of Terry House, Eric Saunders, John Pethick and skip Mike Smith finished winners with a +24 shot difference, with Sidmouth runners-up with +14.

In the Exeter Over 60s Triple League the 'A' team finally got back to winning ways with a two-rink, eight point win over Marina B, but the C team just missed out on another rink win by just one shot and lost to Madeira D in the process.

In the LOFTL, the ladies had an overall 33-32 win against Sidmouth, gaining four points, but lost 38-47 to Chagford gaining just two points with a 24-21 win on one rink.

### HONITON with Tony Broughton

ON Thursday this week the ladies took three Triples to Sidmouth and returned with two wins from three and a match win of just two shots.

Results; Carole Pidgeon, Daphne Courtney & Dulcie Broughton 15-13. Joan Mackintosh, Berry Maynard & Shirley Hiscocks 17-14 and Di Hawkins, Heather Chambers & Rita Barwick 13-16.

It is nice to see Heather Chambers (nee Richards) return to Honiton Bowling Club. Old members at Honiton and Sidmouth will remember her father Tom who was one of the last players to be selected for Middleton Cup or Liberty Trophy County matches in East Devon, some 28 years plus ago.

I played two to Tom's lead followed by Harold Thurgood and Ken Roberts in the finals of the County Trophy I believe the last time Sidmouth got to that stage of the competition and that was 1988.

Over 60s match results, all teams played at home this week, the 'A' Team played Pines Gardens B, the C team played Marina 'A' both of these lost on both rinks so no points.

The B team did much better beating League leaders Tiverton West End 'A' on both rinks and getting the full eight points.

With three games to play, if they can achieve eight points from each there is still a chance of promotion.

Results of the two Two Counties League matches this week. First against Cullumpton three winning rinks and one lost at 22-15, 19-15, 24-10 and 8-21 the top rink was; Di Hawkins, Brenda Harris, Wally Heard, Shirley Hiscocks.

Second was against Seaton losing all four rinks; 14-18, 12-18, 12-18 and 17-19.

There was good news from the Leamington National Finals as Honiton's Sue Evans got to the Quarter Final of the Champion of Champions beating Amy Truran the double England reigning 4 Wood Singles Champion 21-10 before losing out to Helen Mason 10-21.

In the Four Wood singles 4 wood singles Sue got to the Final and was beaten by fellow Devon bowler and Commonwealth Games silver medallist, Natalie Melmore, 11-21.

This is only the second time that two players from same County have got into the Final.

Sue's victims on route to the Final were; J Parker 21-7, M Hendry 21-16, P Lamb-shead 21-10, K Hawes, a current England International, 21-8 and D Brookes 21-19.

Both Sue and Carole Binmore play the first rounds of the 2 Wood today (Tuesday).
